

# Man I Am Today

Words and music by Matthew Browder

v.1

You're the world's greatest dad  
More than just a friend  
A book that I read to learn how to become a better man  
Since I was a child  
You taught me to believe  
That there's no limitation  
To what I could be

Chorus

The man I am today is because of who you are  
The part that you have played has truly shaped my heart  
I thank the Lord above for every prayer you prayed  
Believing I would be the man I am today

v.2

You're a soldier of Christ  
Fighting for the right  
One of a few good men who made a difference in my life  
You have trained me up in the way that I should go  
You're an inspiration  
My greatest hero

Repeat chorus
