

I'm Not My Own

Words and music by Tommy Browder

v.1

When old Satan comes to me
Tries to get me to go wrong
I just speak right up to Him
Don't you know I'm not my own
I can't do the things He wants
Cause I really can't afford
No, you can't serve two masters
So I chose to serve the Lord

Chorus

I'm not my own anymore
I've been bought with a price
Precious blood that was shed on Calvary's tree
God gave His only Son
Sacrifice for every one
Not my own anymore
I've been bought by a price

v.2

Jesus rescued me
When He paid for my soul
The devil had me bound
But He had to let me go
I'm so glad I belong to Jesus
Cause in Him I stand so free
Don't want nothing of this world
No attraction left for me

Repeat chorus 3x
