

I Am So Blessed

Words and music by Tommy Browder, Matthew Browder

v.1

My faith has been tried through the furnace of life
I wasn't alone; God was there all the time
He turned sleepless nights into sweet rest
I'll always be grateful; I am so blessed

v. 2

God's given so much, He's more than enough
Supplies all my needs from His storehouse of love
He's brought me this far, but I must confess
The best is in store, I am so blessed

Chorus

I am so blessed, how could I complain
God has been true through sunshine and rain
He gave me life though I deserved death
I could never repay Him, I am so blessed

v. 3

When I see the Lord, the one I adore
Before His great throne, I'll bring my rewards
In a body redeemed among Heaven's guests
I'll cry holy, holy; I am so blessed

Repeat chorus
